

JOB OPPORTUNITY

Job Title: Technical Instructor (Carpentry)
Organisation: Watoto Childcare Ministries
Duty Station: Hope Vocational Technical Institute, Suubi

Watoto Church and Childcare Ministries has experienced exponential growth in the past couple of years, composed of multiple Celebration Centres (Campuses) and diverse Community care initiatives that include Childcare, Community and Neighbourhood, Education and FM Radio, amongst others. In all of this, Watoto remains a local church, committed to celebrating Christ and caring for community.

We are seeking to recruit a **Technical Instructor (Carpentry)** to support planning, preparation, and deliver high standards of education at the Hope Vocational Technical Institute.

Key Duties and Responsibilities (but not limited to)

- To plan, prepare and deliver lessons to learners and ensure high standards of professional practice, quality of teaching and learning of the subjects.
- To plan, prepare and conduct lessons according to the set standards of the vocational institute.
- To implement instructional programs that are consistent with the ethos of the institute and the curriculum guidelines.
- To guide and advise learners on educational and social matters to support the young people in making good career choices.
- To carry out appropriate, fair, just assessment and evaluation of learners' progress and keep records of all their assessments on file.
- To demonstrate good stewardship of resources and property in the school by ensuring the safe custody and optimum use of equipment assigned.
- To promote the general progress and well-being of individual learners and ensure the safety and welfare of learners at all times
- To create a learning space where the needs of the learners and teachers are met, respected and protected.
- Ability to create partnerships relevant to learners' practice opportunities in support of the work-placement program for the students.
- To maintain effective discipline through supporting the implementation of the institute's agreed procedures, in line with the Watoto Childcare Ministries standards.

Qualifications, Skills and Experience.

- The applicant for the role of Technical Instructor job opportunity should hold at least a Diploma in the respective field with a Certificate or Diploma in Technical Teacher Education (CTTE).
- A Degree in the relevant field will be an added advantage.
- Practical experience in the relevant field will be an added advantage.
- At least two (2) years of experience instructing in a technical institute.
- Good communication and interpersonal skills.
- Possess a high degree of flexibility and initiative.
- Commitment to work within a team environment and ability to work under minimal supervision.
