

Watoto

JOB OPPORTUNITY

Job Title: Laboratory Technician
Organization: Watoto Childcare Ministries
Duty Station: Watoto Schools - Bbira, Suubi, and Laminadera.

Watoto Church and Childcare Ministries has experienced exponential growth in the past couple of years composed of multiple Celebration Centers (Campuses) and diverse Community care initiatives that include Childcare, Community and Neighborhood, Education and FM Radio amongst others. In all of this, Watoto remains a local church, committed to celebrating Christ and caring for community.

Watoto is seeking to recruit a **Laboratory Technician** to support and enhance an environment that caters for 21st century science-based learning.

Key Duties and Responsibilities (but not limited to)

- Create and uphold a laboratory system that organises, tracks and monitors usage of facility and resources and report on it.
- Prepare for practical lessons and exams to ensure that specimens, reagents and apparatus needed are availed to the teachers when needed.
- Ensure laboratory stock management, quality assurance, sanitization and safety of the teachers and learners in the laboratory.
- Ensure safety of the teachers and students while in the laboratory.
- Design standard operating procedures for reagent standardization from stock solutions.
- Work with the science teachers and heads of departments to draw a laboratory usage timetable to avoid clashes
- Demonstrate a culture of innovation and creativity.
- Support science clubs in accessing, gathering and organising information.
- Liaise with staff to use the laboratory for a variety of educational purposes, theme weeks, projects display.
- Organise in-house displays of new laboratory acquisitions and supplier exhibitions.
- Plan, budget, requisition and recommend for the acquisition of materials and equipment which are appropriate for the curriculum, learners and teachers.
- Ensure proper and timely stock taking of reagents and equipment in the laboratory on a termly basis.
- Participate in the teaching of students, where appropriate and as may be assigned by the head of science department.
- Participate in the preparation of science exhibitions and projects are needed.

Qualifications, Skills and Experience.

- The applicant for the Laboratory Technician position should have a diploma in Medical Laboratory with an interest in microbiology. A degree in Laboratory Science shall be an added advantage.
- At least one (1) years' experience in laboratory management.
- Good communication and interpersonal skills. High degree of flexibility and initiative
- Commitment to work within a team environment and ability to work under minimal supervision
